This well-presented, extended Fiesta is on the first phase of Camposol, a short walk to the shops and bars.

On the outside of the property there are high boundary walls and a lockable gate for security and privacy.

Upon entering the external gate you go up 2 steps to enter the villa through the front door into the living area, with an L shaped sofa, glass coffee table and wall units.

Through the living room is the kitchen, which has been extended and refitted to create more space. The kitchen comes complete with oven, hob, kettle, crockery and utensils for your self-catering holiday.

Through the kitchen is a dining area, with a dining table and chairs for 4 people.

Off the living room is the twin bedroom, with 2 single beds and a small bedside table.

Behind a small partition wall is the larger bedroom with a double bed, large wardrobes, bedside tables and air conditioning. Also behind this wall is the newly refurbished bathroom. This room has a large walk in shower, sink and toilet.

On the right of the exterior is an astroturfed seating area with 2 outdoor chairs and a coffee table, and further round the villa are stairs to access the roof terrace with panoramic views of the area and mountains.
